A Languages

English

Understanding, speaking, writing of level B2

German

B1 level

Hungarian

I understand the basics.

Interests

Volunteer - I used to be in Interact. I like to get involved in organizations to help people.

Hobbies - In my spare time, I like to paint and to go to the gym. I am passionate about fencing.

Education

From September 2014 to June 2018

Baccalaureate
"Mihai Eminescu" National Collage Satu Mare
With a grade of 9.75.

From October 2018 to June 2021

Undergraduate
"Babes-Bolyai" University Cluj-Napoca

Work experience

From July 2019 to August 2019

Software Engineer Internship
The Special Telecommunication Service Satu Mare

I deepened my knowledge in Computer Networking, this subject was the main one. During the practice I went to different departures, like 112 dispatch, having the opportunity to see how the application works.

Since March 2019

Editor
Alb Studio Cluj-Napoca

I created and edited a Facebook page for a dental office. Now I maintain the page.

Skills

Communication skills

Able to communicate effectively with a wide range of people, by showing interest and carefully listening to their needs.

Trainning

Year 1

I studied in the first year OOP in C++, Data Structures, Operating Systems, Computer Systems Architecture,, Fundamentals of Programming.

Year 2

In the second semester, I study Data Bases in SQL, Computer Networking, Advances Methods of Programming, Logic and Functional Programming where I study Prolog and Lisp(until now I did only Prolog),
Statistics and Probability, Database Management Systems, Web Programming, Systems for Design and Implementation, Artificial Intelligence and Software Engineering.
